

THINK ON IT...

1. How am I drawing near to others in sincere Community?
2. How am I helping others connect in community at Grace Point?
3. What is an Opportunity I have to partner with others to help them achieve their vision?
4. How have others helped me to achieve a goal or dream? Maybe take time to call or write to them to express your gratitude.
5. How are we as a fellowship demonstrating love as the cure/Immunity in a world filled with hate, bitterness and division?
6. What new ideas can we add to what we have done? Or, what new challenges are rising that we need to prayerfully seek wisdom in how to address with God's love?
