

THINK ON IT...

1. Why should people read the Bible?
2. What challenges do you face when reading the Bible?
3. What prevents you from studying the Bible?
4. What Bible study resources do you use, or that you are aware of?
5. What tips would you give to someone who wants to start reading the Bible? What facts would be helpful to know?
6. What are you going to change so that you read your Bible more regularly?
7. What resources will you use?
8. Who are you going to study the Bible with?
9. Who will hold you accountable?
